-------	----------	--------	------

OFFER = These items have not been priced for a variety of reasons, but you can make an offer.

TBD = To Be Determined, these are listings that have not yet been updated to include shipping and they may never be. Some items will not be shipped ever, or only under extreme circumstances; these items are marked in the shipping column with a NO.

Media Discount (Vinyl LP's DVD's, CD's, VHS) has a 20% cash discount when order is over \$150 , or at the buyers option, a 25% media merchandise discount when redeemed in additional Media. E.g. \$150 order is \$30 cash or about \$37 in more media. Pick out \$200 worth of media items The charge is \$150, plus combined shipping

Full Climbing Gear Package price \$1925 plus shipping includes all the shaded climbing items This represents a significant discount over the \$4000+ value. Some climbing equipment has been included in more than one ad. Each camming device is listed three times in different ads for example but only the one cam device is included.

Books have not yet been priced, please make a list and send it to Clearanceman.com for a delivered price for you. Most books would sell for \$2 or so. Examples of exceptions in pricing would include adjustments for out of print, excellent condition, rarity etc.

Paint system has not yet been posted on Clearanceman.com website but is included in this list. It is a full paint pot pressurized system for large painting jobs, ie cabinets, automobiles, trucks, etc. 2+ gallon capacity requires external air compressor

Asint Memory 1gb has not yet been listed on Clearanceman.com but has been included in this list (Came out as a result of upgrade to an ASUS netbook).

This inventory is not a part of a business, but rather old personal belongings for which I no longer have any use. Clearanceman.com is currently stocked only with my old "stuff" . Please see the About page and the FAQ page of the Clearanceman.com website.

SHIPPING:

Pickup is preferred on all items. Please do not attempt to set up an appointment to pick up less than \$10 worth of merchandise. Sorry, no foreign shipping. Alaska and Hawaii residents please call for a quote. Canada residents, double the quoted shipping cost. Some items may need to be professional packaged by a third party and this will increase your shipping cost. Combined shipping is allowed and will reduce the overall cost of your order.

PAYMENT:

Pickup Item: Set up appointment by calling 312-590-9930. US Dollars, cash in hand at pickup only. Please be prepared to make exact change.

Shipping item: Only a United States Postal Money order is accepted for payment. This is done to expedite shipping. When shipping in the Continental United States, add the shipping price above to the price of the item and send a money order following the instruction below. If the item(s) sell before your money order is received, the amount of your money order will be refunded to you in full.

How to Mail Payment: Send a blank email to: moneyorder -at- clearanceman.com. This will automatically send back a form to you with all the details you need to send payment. Make sure to check your spam folder in case the email to you is blocked. Call if you are having problems receiving the email. Please print out this form/email and include it when you mail your United States Postal Money Order. Space is provided to enter the title of the item for which you are
